Essentials of Forestry Practice Charles H. Stoddard, Glenn M. Stoddard

Principles of forestry are introduced with emphasis on actual field practices, both traditional and modern. The fourth edition includes expanded treatments of small private forest owners, reflecting changing patterns in ownership; more information on new advances in timber volumes, growth, cut, and management; updated coverage of forest instruments; and more on pollution damage, reflecting current problems. Each significant field practice is illustrated with photos, drawings, and tables for easier comprehension.
