Los detectives salvajes (Spanish Edition)

Roberto Bolaño

Los detectives salvajes (Spanish Edition) Roberto Bolaño

Entre la narrativa detectivesca, la novela «de carretera», el relato biográfico y la crónica, *Los detectives salvajes* está considerada por la crítica y el público de todo el mundo como una de las mejores y más originales ficciones escritas en las últimas décadas.

Uno de los mejores libros en español de los últimos 25 años según *Babelia*.

«Todo lo que comienza como comedia indefectiblemente acaba como misterio.»

Dos jóvenes poetas latinoamericanos, Arturo Belano y Ulises Lima, emprenden una aventura que transcurrirá durante varias décadas y cruzará distintos países. Símbolo de la rebeldía y la necesidad de ruptura con la realidad establecida, sus vidas representan los anhelos de toda una generación. La búsqueda en 1975 de la misteriosa escritora mexicana Cesárea Tinajero, desaparecida y olvidada en los años posteriores a la revolución, sirve de inicio a un viaje sin descanso marcado por el amor, la muerte, el deseo de libertad, el humor y la literatura.

En esta novela está esbozado, como si de un juego de cajas chinas se tratara, todo el deslumbrante universo literario y personal de Roberto Bolaño.

***Los detectives salvajes* fue ganadora de los premios Herralde y Rómulo Gallegos, y calificada por *The New York Times*, *Los Angeles Times* y *The Washington Post* como una de las mejores novelas publicadas en 2007.**

Críticas:

«Un carrusel de lenguaje y destreza narrativa que sin duda es lo mejor que se ha escrito en castellano en las últimas décadas.»

Iván Thays, *Babelia*

«Bolaño ha probado que la literatura lo puede todo.»

Jonathan Lethem

«Una especie de ebriedad narrativa que nos deja abrumados, sonriendo de obnubilación o de admiración.»

Fabrice Gabriel, *Les Inrockuptibles*

«Una obra maestra.»

San Francisco Chronicle

«Uno de los autores más respetados e influyentes de su generación [...]. Al mismo tiempo divertido y, en cierto sentido, intensamente aterrador.»

John Banville, *The Nation*

«El mito de Bolaño ha servido para potencia el reconocimiento de una obra donde había originalidad, donde había calidad.»

Mario Vargas Llosa

«Se convirtió en un cuentista y novelista central, quizás el más destacado de su generación, sin duda el más original y el más infrecuente.»

Jorge Edwards
