Post Charismatic?: Where Are We Now? Where Have We Come From? Where Are We Going? Rob McAlpine

Rob deals with facts before venturing an opinion. Carefully he steers us through the relevant history, looking in depth at the Latter Rain movement, teaching on shepherding, and the prosperity gospel that ultimately brought pain and disillusionment to so many. Then, aware that it's often easier to criticise than to construct, he explores possible ways forward to a more mature expression of spirituality and a shared life together as disciples of Christ today.
