Psychoanalysis and Buddhism: An Unfolding Dialogue

"What a wonderful book! Jeremy Safran has assembled an absolutely stellar group of writers and has himself contributed an illuminating introduction. The essays are riveting and the book is the rare edited collection with real thematic unity. If you think you might have an interest in the intersection of psychoanalysis and Buddhism, this is the place to start. If you already know you're interested, once you look at the table of contents you'll find (at least I did) that you want to let Psychoanalysis and Buddhism displace whatever you were going to read next."--Donnel B. Stern, PhD, author of *Unformulated Experience* and editor of *Contemporary Psychoanalysis*
