The Animal-Lover's Book of Beastly Murder Patricia Highsmith

Following the national bestseller *Selected Stories*, this fall brings the republication of a gripping Highsmith classic.

Stories from *The Animal-Lover's Book of Beastly Murder* portray, with incisive humor, the murderously competitive desires of our most trusted companions. In this satirical reprise of Kafka, cats, dogs, and the occasional cockroach are no longer benign elements of a happy home but actually have the power to destroy it.
