## **The OUT-OF-CHURCH CHRISTIANS** Andrew Strom

It all began with a Radio show and an email - when Andrew Strom was invited onto a Christian radio station to discuss the growing phenomenon of "Out-of-church Christians" - the fact that seemingly tens of thousands of dedicated believers are leaving the churches. But why? That same week he published an article on the subject on his international Email List. The result was an absolute deluge of responses from all over the world - literally thousands. Christian Pollster George Barna has stated that the number of unchurched adults in America is growing by a staggering ONE MILLION people per year. Barna's research has also found that there are more than 13 million 'Born Again' believers in America who do not attend church. Why is this trend growing? Why are thousands upon thousands of devoted Christians leaving the churches? Is it a 'movement'? And why is it occurring in so many different parts of the world? This is a book that every Christian leader should read. Hear from dozens of believers who have left - and why. Are there solutions to this crisis? A book for everyone concerned about the future of Western Christianity - and where it is heading today.
