Diary of an Amazing Minecraft Cave Spider (An Unofficial Minecraft Book)

Enter the world of an extraordinary cave spider – the dangers, the tactics, the adventures and the interaction with his family, surface dwellers and others of his own kind. This book explores how a young, energetic cave spider finds home life humdrum and, against the wishes and advice of his family tries to make things a little more interesting. What ensues is certainly exciting, but also leaves the cave spider in situations he had never dreamed of, and certainly doesn't have the skills to deal with. This is a roller-coaster of excitement, as this extraordinary cave spider quickly learns his limits – but will this be too late? Can he make it through when he finds himself against enemies in an environment he has never explored – and will never wish to again? This is one cave spider who never has a quiet moment – even if by the end of the week described in this book, he could do with one.

When it all starts to go wrong, find out how he copes with:

- Dealing with intruders in the depths of the mine
- Exploration of the deep underground – beyond his safe zone
- Surviving when his safety mechanisms are rendered useless
- Family values – the wider web of a cave spider
- Trust and fear – the real rocks in the life of a cave spider
