ILLUSTRATIONS AND COMICS FROM THE *NEW YORKER* COVER ARTIST AND AWARD-WINNING CARTOONIST

Two strangers, both reading the same novel, share a fleeting glance between passing subway cars. A bookstore owner locks eyes with a neighbor as she receives an Amazon package. Strangers are united by circumstance as they wait on the subway stairs for a summer storm to pass.

Adrian Tomine's illustrations and comics have been appearing for more than a decade in the pages (and on the cover) of *The New Yorker*. Instantly recognizable for their deceptively simple and evocative style, these images have garnered the attention of *The New Yorker's* readership and the approbation of such venerable institutions as the Art Directors Club and *American Illustration*.

New York Drawings is a loving homage to the city that Tomine, a West Coast transplant, has called home for the past seven years. This lavish, beautifully designed volume collects every cover, comic, and illustration that he has produced for *The New Yorker* to date, along with an assortment of other rare and uncollected illustrations and sketches inspired by the city. Complete with notes and annotations by the author, *New York Drawings* will also feature a new introductory comic focusing on Tomine's experiences as a New York illustrator.
