It's time to play the players

Zienna Thomas has finally found a man with forever potential: Nicholas Aubry is charming, successful, easy on the eyes and tender in bed. Everything is great...until Nicholas introduces his longtime friend Wendell Creighton. Zienna already knows Wendell—every luscious inch of him. Once upon a time she'd thought Wendell was The One, but though they burned up the sheets together, he balked at a real commitment.

Now Wendell is back on the scene, eyeing Zienna as if she's a cool drink on a blistering day...and she's feeling the heat, too. Soon Zienna is part of a torrid triangle, wondering which to choose: sweet, soul-satisfying Nicholas or scorching, sexy Wendell. But a wicked part of her wonders, Can't I have both?

The naughty thrill of keeping two lovers in the dark and in her bed is powerful stuff. But Zienna knows she's playing a dangerous game—just how dangerous remains to be seen, because when the truth comes out and the testosterone-fueled rivalry threatens to explode, someone is going to get burned....
