The Light of Istanbul

Jean-Michel Berts

The Light of Istanbul Jean-Michel Berts

Following the success of *The Light of Paris*, *The Light of New York*, and *The Light of Tokyo*, lensman Jean-Michel Berts turns his masterful eye to the ancient city of Istanbul. This exotic destination is revealed in Berts's otherworldly black-and-white photographs, taken at dawn, when the deserted streets and waterways are wrapped in a mystery all their own. The city's renowned landmarks and hidden corners are captured as never before, framed by Berts's camera obscura. With an evocative text by Alessandra Ricci, *The Light of Istanbul* is a spectacular volume on this enchanting city.
