**From the author of *The Last Testament* comes the true love of Bonnie Prince Charlie, her adventures in America and her lasting legacy.**

In the page-turning popular genre trail-blazed by Antonia Fraser and Philippa Gregory, *The Pretender's Lady*, Alan Gold's meticulously researched novel, accurately opens history's pages on a peerless woman who helped change the course of history and whose legend lives on in Scotland today—Flora MacDonald.

She was the most famous Scotswoman of her day, single handedly saving Bonnie Prince Charlie. This is her fictionalized life story—her relations with the Prince, her flight to America, Ben Franklin's influence, and her return to Britain to lobby for peace

But what's hidden from history, revealed now for the first time in Gold's dazzling new work of fiction, is the result of Flora's and Charlie's love: a beautiful and talented boy raised on an American farm. But only she knows his true heritage and his claim to the world's greatest throne. And only the genius of Ben Franklin understands how to use this naïve boy to change the history of America.

Skyhorse Publishing, as well as our Arcade, Yucca, and Good Books imprints, are proud to publish a broad range of books for readers interested in fiction—novels, novellas, political and medical thrillers, comedy, satire, historical fiction, romance, erotic and love stories, mystery, classic literature, folklore and mythology, literary classics including Shakespeare, Dumas, Wilde, Cather, and much more. While not every title we publish becomes a *New York Times* bestseller or a national bestseller, we are committed to books on subjects that are sometimes overlooked and to authors whose work might not otherwise find a home.
