UK Office Furniture Dealers Market 2001 AMA Staff

This report by AMA Research on the UK Office Furniture Dealers Market is a practical review of UK office furniture dealer channels, analysing market size, structure, recent and future trends. The dealer channel still represents the major route for the distribution of office furniture, although competition has increased in recent years both from office furniture manufacturers who deal direct with end-users and the growth of office superstores / mail order companies.

Key areas covered in the report include (a) the overall office furniture market, (b) dealer characteristics, (c) customer base, and (d) buying and specification process for office furniture dealers.
