Acupuncture for Dogs and Cats: A Pocket Atlas

Christina Matern, Christina Eul-Matern

Acupuncture for Dogs and Cats: A Pocket Atlas Christina Matern, Christina Eul-Matern

Praise for this book:

This is a welcome pocket reference for veterinarians who have already completed acupuncture training, but are not yet proficient in the location or use of all the points. -- Lorrie Hale-Mitchell, DVM, University of Illinois College of Veterinary Medicine

Skillfully integrating traditional concepts of Chinese medicine with clinical experience and modern scientific research, *Acupuncture for Dogs and Cats* brings together all current information in one convenient book. Its atlas-style format, highlighted by hundreds of full-color photographs and supporting text, makes it ideal as a quick, user-friendly reference in the clinic or training program.

Special Features:

- An easy-to-use, double-page spread designed for fast retrieval of information--on the left, concise text describes the effects, indications, localization, technique, and depth of insertion for each acupuncture point; on the right, high-quality photographs demonstrate all concepts
- Bones and muscles have been precisely drawn into each photograph, a valuable tool for localization of points
- A comprehensive discussion of all acupuncture points in all channels ensures that you have full mastery of the field
- A complete introduction to the principles of traditional Chinese medicine (TCM), channel systems, TCM diagnostics, point selection, and point categories (such as Ting or Luo points) provide a strong foundation in the concepts of veterinary TCM

The only book to focus solely on acupuncture for small animals, this handy, pocket-size atlas is unique in the field. It offers a wealth of practical knowledge and a pictorial reference for veterinarians, animal

acupuncturists, students, and trainees whose goal is to provide the highest level of treatment to the animals in their care.

From reader reviews:

Steve Garcia:

Book is to be different for every single grade. Book for children till adult are different content. We all know that that book is very important for all of us. The book Acupuncture for Dogs and Cats: A Pocket Atlas seemed to be making you to know about other information and of course you can take more information. It is quite advantages for you. The book Acupuncture for Dogs and Cats: A Pocket Atlas is not only giving you much more new information but also to be your friend when you experience bored. You can spend your current spend time to read your guide. Try to make relationship together with the book Acupuncture for Dogs and Cats: A Pocket Atlas. You never really feel lose out for everything in the event you read some books.

Phillip Ruiz:

The particular book Acupuncture for Dogs and Cats: A Pocket Atlas will bring you to the new experience of reading some sort of book. The author style to spell out the idea is very unique. When you try to find new book to learn, this book very suitable to you. The book Acupuncture for Dogs and Cats: A Pocket Atlas is much recommended to you to learn. You can also get the e-book from official web site, so you can easier to read the book.

Jessie Nathan:

Precisely why? Because this Acupuncture for Dogs and Cats: A Pocket Atlas is an unordinary book that the inside of the book waiting for you to snap it but latter it will jolt you with the secret that inside. Reading this book close to it was fantastic author who all write the book in such incredible way makes the content within easier to understand, entertaining means but still convey the meaning completely. So , it is good for you for not hesitating having this anymore or you going to regret it. This phenomenal book will give you a lot of benefits than the other book have such as help improving your skill and your critical thinking technique. So , still want to delay having that book? If I have been you I will go to the e-book store hurriedly.

Rigoberto Stansell:

Many people spending their time frame by playing outside along with friends, fun activity along with family or just watching TV all day long. You can have new activity to pay your whole day by studying a book. Ugh, do you think reading a book really can hard because you have to take the book everywhere? It okay you can have the e-book, bringing everywhere you want in your Smartphone. Like Acupuncture for Dogs and Cats: A Pocket Atlas which is obtaining the e-book version. So , try out this book? Let's notice.
