Camilla d'Errico Postcards Camilla d'Errico

A set of 30 postcards reproducing paintings by manga-influenced artist Camilla d'Errico. Beautiful girls are rendered in bright, eye-catching colors. The girls in d'Errico's paintings express myriad emotions at once and are paired with realistically painted animals that perch above them as 'headgear' reflecting the emotional state of the girl below. This postcard set presents d'Errico's portraits in a delicate package, reflecting the light, soulful, and fantasy-rich world she creates. Camilla d'Errico has distinguished herself through her ability to seamlessly weave comic art and manga with surrealist elements, wrapping it all together with an extensive emotional palette.
