Includes previously released Misadventures of Doc & Dirk volumes, available now for the first time in paperback, an additional episode, and more! He's a middle-aged, newly single, gay photographer starting life over. Along comes a freshly out nineteen-year-old, irreverent free spirit who wants to be his apprentice. Mismatched by more than a generation, what could possibly go wrong? Everything! And it's AWESOME! Dirk's First Time: Every gay boy has his first experience. Usually it's a memorable, exciting personal time of discovery and intimacy between two young people. But two comic book characters? Is it horseplay or Cosplay? The Boy At The Gym: First impressions can be deceiving. Sometimes that boy in the baggy clothes, talking to himself in the gym isn't as shy as he appears. Sometimes there's a deviant imp lurking beneath that freckled mask of innocence. Beware the Trojan Nerd! A "Muse" ing: Most authors struggle with the voices or "muses" in their head when writing. Tuning that voice out becomes a little more challenging when your muse is a real-life nineteen-year-old who inhales espresso and turns out ideas at light speed. Danger Will Robinson! Daddy and The Rent Boy: In sales, advertising is half the battle. That can become hazardous when you're in the company of an irreverent walking billboard. Sex Dolls and Bad Dates: We've all had one of those dates where we think we've bitten off more than we can chew. The trick to know is Bite or Flight? Dirk's Quirks: Everyone has idiosyncrasies; that's what makes us interesting. If you're lucky, you get a heaping helping and can share them with everyone. Make it Naked: Teaching a nineteen-year-old walking hormone photography apprentice to shoot nudes is more than an adventure... It's a human obstacle course.
