## **Fearless Fernie** Gary Soto

For Fernie and his best friend, the fun begins when they are babies who crawl across the lawn towards each other, away from their parents' watchful eyes. And once they find each other, they are inseparable.

Together, they grow to be the self-proclaimed artistic geniuses and master athletes of their school. But they do admit to being losers at spelling bees and camping out. And when it comes to romance, well, if waltzing with a broom in the kitchen or sporting glowing orange socks to a school dance counts, these guys are cool.

Gary Soto's original poems and Regan Dunnick's clever illustrations will spark recognition in all middle-schoolers who've gone through the humiliation of sports try-outs and first dances; who've had to deal with body images and swinging moods. Each of the poems in this book shows a scene from their sometimes difficult, sometimes comical lives growing up together as best friends. Even though they don't have everything in common, they both know that at least they're in it together.
