Lesser Known Bible Characters: Using Their Relationships to Restore Ours Dr. Carolyn A. Roth
Lesser Known Bible Characters contains stories of 72 Bible characters that we rarely remember when we read through the Bible. The book contains 12 chapters, each chapter is about a relationship, such as husband and wife, mothers and sons, priests and pastors, friends, masters and slaves, and magicians. In each of the 12 chapters the stories of 6 relationships are included. I have included New Testament as well as Old Testament characters and women as well as men.

At the end of each character I have included a question for reflection; and at the end of each of the 12 chapters are a number of questions for individual reflection or group discussion.
