Running Out of Time AM Houchell

Greg Anthony Warren will single handedly decide whether time or space is the most powerful attribute of existence. If he wants to find out, he'll need the space to run out of time. But if he doesn't choose in time, everything will be over, but once he does choose everything will finally end. Really, it is all a lose lose situation. It is like the Cold War basically. With new friends like a sword that is a flamingo, a girl named after a condiment, a possessed teddy bear, and flea, he'll try to save everything and nothing.
