ABDUCTED BY ALIENS, FORCED INTO BONDAGE...Only a few years earlier, Rose Rico of Earth had no idea that her planet's government was secretly selling human beings to the alien Alphas in exchange for advanced alien technology. Then Rose found herself, along with hundreds of other human captives, bound for the far reaches of space, and compelled to cater to the depraved desires of her new alien masters. Rose broke her chains, freed some of her fellow captives and stole a spaceship of her own. Now they are wanted fugitives, and the galaxy is heating up for Rose and for her renegade band of former pleasure slaves. As her companions flee from the Alphas, Rose plots a one-woman strike against her former masters. Recaptured, tortured, and once again forced to serve as a pleasure slave, Rose escapes to rejoin her crew and battle the Alphas -- to free Earth from their domination!
