Pinnacle Leadership Associates provides congregational consulting which assists congregations to discern God's calling for the next season of life and ministry together. Our process includes equipping the congregation to engage in 40 days of focused prayer, preparing themselves to listen for God's calling. Often, we hear much feedback about these 40 days....the prayer experience deepens faith, opens one up to the Spirit's movement, and challenges one's thinking about the nature of the Church. Now Pinnacle Leadership Press is making this Prayer Guide more accessible. Previously, only congregations involved in our visioning and discernment process could use the 40 Days of Prayer. Based on the suggestion of disciples in congregations using the Guide, it is now available on a wider basis. The 40 Days of Prayer Guide will stir the imagination of: -Congregations preparing for visioning or discernment -Congregations who need renewal; refocusing on the essence of Christian discipleship and mission -Individual disciples who hunger for greater clarity for their perspective on church -Clergy who are preparing to lead their congregations into a more robust faith experience
