**Animator (Best Job Ever)** Ian F Mahaney

This book about working as an animator is sure to be a hit with creative kids. Readers will learn all about the different fields of animation, including television, video games, and movies. In this volume, readers explore the ways an aspiring animator can land their dream career, including going to college, developing skills, and creating a demo reel. Biographies of successful animators will inspire readers, and supplemental websites will guide them in their search for more information on this great career. A glossary, table of contents, and index make this book easy to read. Color photographs, engaging text, and a focus on career readiness make this book a must-read for young artists.
