Scrapbooking has proved to be one of the most popular hobbies in recent years and the interest shows no signs of abating. Filled with useful tips and alternative suggestions, Baby and toddler scrapbooking contains 130 photographed sample pages - with informative text on how they were put together - that will inspire you to haul out your photographs and start working right away. The authors' decoupage background serves them well, as they include handy tips on painting, cutting and 'scrapoupage' - a technique they developed adapting decoupage for scrapbooking. As they've included a variety of styles, there's something for everyone, from beginners to advanced scrappers.
