Chronic Illness In Canada: Impact and Intervention Marnie Kramer-Kile, Joseph Osuji

Adapted from our best-selling text, *Chronic Illness: Impact and Intervention*, Eighth Edition by Pamala D. Larsen and Ilene Morof Lubkin, this text includes recent definitions and models of care aimed towards chronic disease management (CDM) currently used in Canada. Canadian and global perspectives on chronic illness management are addressed throughout the text, and chapters on the role of primary health care in chronic care, family nursing, global health, and chronic illness are included to address the needs of nursing curriculum standards in Canada. Key Features *Chapter on complementary therapies within a Canadian health context *Every chapter is updated to include Canadian content and an emphasis on global healthcare *Contains theoretical and practical perspectives to address the continuing emergence of chronic illness in Canada and the world Each new text book purchase includes access to the Navigate Companion Website featuring interactive activities to reinforce content and enhance student learning.
