Did you know that Eagles can see up to one and a half miles away? Or that they can dive at 100 miles per hour? National Geographic Eagles 2015 celebrates this American icon by taking an intimate look at bald eagles with a breathtaking collection of photographs. Easily recognized due to its white (Old English: bald) head, the Eagle is a symbol of strength and freedom. Each outstanding image is accompanied by fascinating National Geographic information and a large grid with moon phases and international holidays. Sales of National Geographic calendars support vital exploration, conservation, research, and education programs. Earth friendly, printed with soya-based inks on FSC certified paper.
