Far into the wild lands of Minecraftia, a group of three friends wanders unknown regions in search of adventure.

And though monsters pose little threat to them, they may have met their match when they attempted to take on the challenges of a vast, dry desert.

Running low on water and on the brink of death, they stumble across an ancient temple buried deep beneath the sands.

Drawn to the promise of treasure and the possibility of finding life-saving water, the trio delves into the forgotten temple.

But will their journey into the temple bring them the salvation they seek, or merely death?
