Barbara Annis, the world's leading corporate gender specialist, believes that men and women don't understand each other because they don't appreciate the different ways men and women relate, communicate, problem-solve, and make decisions. In this original, solutions-based book, Annis explains exactly where we differ and how to improve the way we communicate with one another. Learn of cutting-edge, scientific research into the different neurological frameworks and functions of the male and female brains and how these innate biological differences determine how we: View the world; Solve problems; Make decisions; Prioritize; Manage emotions; Deal with stress; Work in teams; and Lead.
