The Coen Brothers Ronald Bergan

Blood Simple, Barton Fink, Raising Arizona, Miller's Crossing, Fargo, Hudsucker Proxy, and The Big Lebowski - moviegoers either love the Coen brothers or they hate them. Those who love them believe they have made some of the most innovative, entertaining, and idiosyncratic films of the last 25 years. Their movies have grossed over 1 billion, and Fargo won Oscars in 1997 for Best Original Screenplay and Best Actress. Brought up in small-town America, the brothers have been making movies from the age of eight. Joel directs; Ethan writes and collaborates with his brother in the later stages as the story develops its visual identity. The Coen brothers set the standard for creative cinema.
