So what these books have than the others?

#### **Kelsey Jimenez:**

As a scholar exactly feel bored in order to reading. If their teacher inquired them to go to the library or make summary for some e-book, they are complained. Just small students that has reading's heart or real their interest. They just do what the educator want, like asked to the library. They go to there but nothing reading critically. Any students feel that reading through is not important, boring as well as can't see colorful photos on there. Yeah, it is to become complicated. Book is very important for yourself. As we know that on this time, many ways to get whatever you want. Likewise word says, ways to reach Chinese's country. So , this Europa: (Europe) can make you sense more interested to read.
