This six-week small group study, the fifth in the Platform Series, will explore the facets of God's presence in our lives. Using Exodus 32-34 as a scriptural context, J.D. Greear takes illustrations from Moses' interaction with the Lord and drives home the realities of God's presence, absence, and power. God reveals to Moses all the ways He is going to bless Israel. But it is God's presence that Moses most desires. During the course of this study, small groups will have the opportunity to examine the yearning of their own hearts and determine if what they long for is God's blessing or His presence. Presence is part of The Platform Series, a LifeWay resource featuring compelling video sermons straight from the church platforms of today's most influential pastors.
