## Revelation (Lectio Continua Expository Commentary on the New Testament)

Are you confused by the great variety of interpretations of the book of Revelation, such as the preterist, the historicist, the futurist, the idealist, and an eclectic approach that embraces the strengths of all these? Would you like a clear understanding of various millennial approaches related to the last times? In this book of sermons on Revelation, Joel Beeke gives you all this and much more as he preaches through Revelation in a thoroughly biblical, doctrinal, experiential, and practical way intended to comfort and mature believers, to warn the unsaved to flee to Christ for salvation, and to exalt Christ as the King of kings and only Head of His church.
