Soulstorm Clarice Lispector

**The twenty-nine stories in *Soulstorm* were originally published in two separate volumes in 1974?A *Via Crucis do Corpo (The Stations of the Body)* and *Onde Estivestes de Noite (Where You Were at Night)*?and are now combined and sensitively translated into English by Alexis Levitan.**

The realm of Lispector's fiction is the inner life; self-knowledge is her main concern. Like James Joyce's *Dubliners*, her protagonists live small, stifled lives, often unaware of their own suffering, but her lucid and richly textured narratives allow us, the readers, the epiphanies that they themselves are denied.
