This top of the line adult book is a spell binding nonstop read from the beginning. The author utilizes talent, creativity, and an ingenious imagination only found over the rainbow. The story is fraught with sexual tension created by a delicate balance between submission and passion. The dial is turned all the way up on this heated Erotica story. I don't want to give away too many details, but this is a story with nonstop adult situations combined with a variety of plots to keep it interesting and often unexpected and suspenseful. The characters are magnetic and addicting. I can't wait for you to read it. If you would like to make comments please go to my blog which is Tantalizingtales.net.
