## **Christy Report** Kim Christy, John Quinn

This comprehensive collection of erotic images either collected or produced by Christy's creative team, reflects a pioneering spirit of gender freedom and extremely personal sexual expression. - Includes private collections created in squalid flats of 'New York's hell's kitchen' by the early underground fetish movement, images from the 'Boogie Nights' period of above ground marketing in the 70's to today's lavish DVD spectacles. - Written by John Quinn, and Kim Christy with their combined experience in publishing, film, and the glamorous if bizarre side of adult underground; this volume introduces a taste and desires that once tried, will become undeniably necessary.
