She's got a secret...her son!

A previous affair ended badly, but it left Annie with her beloved son. Now Jamie is old enough for day care, and Annie is going back to work—in the gynecology department of Belfield Infirmary.

As a single mom and a junior doctor, Annie has enough to worry about. Having to keep her son a secret at work makes it worse. But she'd be coping just fine if not for the interested, interfering, irresistible Gideon Caldwell. Annie has to work with him, but she can't seem to get him out of her private life...or even out of her head!
