Finally, no hype or grandstanding! This book is an analysis of the facts through the eyes of history, scripture and the prophets! Maulana Muhammad Ali, in his writing titled, *The Religion of Islam, Revealed Books; Revelation Brought To Perfection* wrote, "According to the Qur'an, revelation is not only universal but also progressive, attaining perfection in the last of the prophets.... A revelation was granted to each nation according to its requirements, and in each age in accordance with the capacity of the people of that age. And as the human brain became more and more developed, more and yet more light was cast by revelation on matters relating to the unseen, on the existence and attributes of the Divine Being, on the nature of revelation from Him, on the requital of good and evil, on life after death, on Paradise and Hell.
