**Five hundred stunning duotone photographs showcase the finest, most majestic, and interesting examples of architecture in one of the world's most beloved cities**

The greatest buildings, monuments, and structures of London come to life in these inspiring, neighborhood-by-neighborhood photographic tours. Each building is featured in a rich, fine-resolution duotone photograph. Information including the building's name, its address and location, and year of completion or renovation is included underneath the image. A brief description of each building, which highlights its distinctive features and places it in historical context, is included at the back of the book.
