Ripples in the Water: Poems Written by a Nature Kid Evelyn Cadence Swan

Life and nature are beautifully shared in the 16 poems of (almost) eight year old Evelyn Cadence Swan. The moon as "a quarter in the sky", the delight of being eaten by a wonderfully sinister hammock, and the tenderness of moments in nature will make you smile. "Ripples in the Water" is a great read for kids who are exploring the world of poetry (Evelyn even encourages the reader to write a poem on their own!). It is a fun and thoughtful book for adults and children alike.
