Shadows of Moth: The Moth Saga, Book 5 Daniel Arenson

Our world burns with war.

In the west, the people of eternal sunlight invade the darkness, armed with swords, arrows, and torches. In the east, the children of endless night fight from the shadows. Soldiers of sunlight and dwellers of darkness. Their war flares across the world of Moth.

And I am torn between them.

My father was born in the sunlight. My mother is a daughter of the night. I am a child of dusk, a stranger to both camps. As fires burn and blood spills, I must heal this shattering world. Yet how can I stop a war between day and night when a separate war rages within me--a clash between my sunlit and moonlit halves?
