The G-Force: Misunderstood Mole Sarah Nathan

What do you get when you mix explosive action, hi-tech government gadgets, cool fighting moves, and...rodents? Well, you get G-Force: a highly-trained group of government spying guinea pigs and other small creatures! They may not sound like much, but don't tell them that! G-Force protects the world from the evil doers who will stop at nothing to destroy it. But when a diabolical mad-man bent on destroying the earth with household appliances gets in their way, can Speckles, Bucky, Blaster and the rest of the G-Force squad stop this evil menace before it's too late?

The Misunderstood Mole

Speckles the mole thinks everyone is out to get him, including fellow members of the G-Force. Are they? Or is Speckles just *misunderstood*?
