Infinite Spaces: The Art and Wisdom of the Japanese Garden

Infinite Spaces: The Art and Wisdom of the Japanese Garden

Japanese gardens have long been admired for their capacity to improve on nature through impeccable design, detail and composition, properties that elevate them from mere gardens to sacred spaces. *Infinite Spaces* is a remarkable reflection of the Japanese garden, drawing on extracts from the *Sakuteiki*-an eleventh-century text that distills centuries of garden design-and pairing them with inspiring images from Sadao Hibi, one of Japan's best-known photographers.

Praise for the hardcover edition:

"Pairs quotations from an ancient writing, the *Sakuteiki*, on garden design with exquisite photos that illuminate the words. This book should leave a gardener serene, refreshed and inspired-in other words, in the right frame of mind to contemplate another growing season."-**Knight Ridder Newspapers**
