Spiritual Years Mason Clare

Be it hidden or openly proclaimed, self-interest is first on everyone's agenda. At some point every person on this planet asks, What's happening to me? The question requires an answer. It cannot be evaded. In the land of CNN and microwave food, we demand instant gratification. Perhaps quests for self-understanding and our desire for divination falls within these same expectations, too. Mason Clare developed Spiritual Years from knowledge gained from over a decade of study, investigation, personal experimentation, and preparation of Numerological Tables of Events for others. Spiritual Years uses the ancient knowledge of Astrology, several forms of Numerology, and the Life-Paths of the Kabbalah to help provide some answers, that don't require learning methods of calculation or reckoning__nor history, philosophy, symbolism, to that question. You can simply read and learn.
