Tales from Titchmarsh Alan Titchmarsh

Britain's favourite gardener Alan Titchmarsh has also been the most popular contributor to *Gardeners' World* magazine for the last twenty years. This collection of his very best columns, demonstrates just why he is regularly voted the readers' favourite. His brilliant writings are, in turn, practical - just how far back should we prune our roses? - opinionated - I always rail at people who go out on a Sunday afternoon to tidy their gardens. I mean, a garden is not a sock drawer - cheeky - I have a theory that gardeners grow to look like their soil and wistful - You've got to be a bit of a dreamer to get the most out of your garden. So lay down your trowel, take off your wellies, sit back and enjoy a bit of quintessential Titchmarsh.
