The directory: Resources for parts and accessories for Porsche cars David Terdy

The Directory (for Parts, accessories and services for Porsche cars) This book is designed to make looking for Porsche part sources and services an easy and money saving venture. It features over 100 sources and organizes them by their Porsche model specialty. It puts the important information about companies at the buyers fingertips. In addition to the popular categories like Used Parts and Full Line suppliers this edition has had more sections added to include, Insurance, Performance items as well as racing Safety equipment. The Directory helps the buyer, whether a professional or hobbyist, locate parts and services from more than one source. You no longer have to be fearful of the phrase, that part is no longer available.

The Directory has the largest listing of Porsche part sources available. The Third edition has almost 300 pages locating the important sources by the simple ways you look for parts. At the end of the book we have also included a master telephone listing of over 700 sources worldwide.
