The Shipkiller: A Novel Justin Scott

A novel of love and revenge set on the high seas, by *New York Times* bestselling author Justin Scott (co-author of *The Thief*, #1 *New York Times* bestseller), considered one of the best maritime thrillers ever written, back in print after twenty-five years.

It was the largest moving object on the face of the earth, but for Carolyn and Peter Hardin it was a towering wall of steel bursting out of a squall at full speed, bearing down on their ketch Siren. In a few dramatic moments, Siren was shattered by the indifferent juggernaut. Struggling for his life, Peter Hardin felt the hand of his wife being torn from his grip as the huge white letters on the supertanker's stern—Leviathan?steamed away. Thus begins an odyssey of revenge that embraces the distant waters of the world, from the titanic storms of the South Atlantic to the oil-slicked reaches of the Persian Gulf. Selected as one of the best thrillers ever published by The Thriller Writers of America?and now back in print for the first time in twenty-five years? *The Shipkiller* is the story of one man determined to win at sea the justice he has been denied on land.
