Where the Woodbine Twines: A Novel Sherry Austin

A woman is confronted with an enigmatic figure from her past in this Southern Gothic thriller of unresolved friendship and unsettling memories. The coincidental sighting of someone resembling a long-lost childhood acquaintance sets off a flood of memories about their strange experience. She hopes she'll at last find the answer to the question that has stuck with her all the years since: *Whatever became of the unforgettable Catherine Wiley?* Set against the live-oak splendor of the South Carolina low country and the dark glamour of Myrtle Beach in the 1950s, this tale of nostalgia, fear, and hope twists like a leaf in the wind.
