As a current or future director, you've got the technical skills and knowledge you need to excel; as a resident, you know where to acquire them. But the wisdom and leadership abilities vital for success as a leader in today's high-pressured environment can't be learned from a textbook or in a classroom.

To fill this gap, ASHP has developed a unique new publication: *Wisdom from the Pharmacy Leadership Trenches*. Like having a mentor at your fingertips 24/7, it is a source of "real life" advice on all aspects of pharmacy leadership.

Written by two of pharmacy's top leadership coaches, Toby Clark and Sara J. White, its guidance is based on their decades of experience mentoring students, residents, and assistant directors, as well as insights gained from many discussions they had with colleagues who called seeking advice.

Inspirational and thought provoking, you'll want to turn to this "mentor" over and over again throughout your career.
