Women and Elective Office: Past, Present, and Future

Women and Elective Office: Past, Present, and Future

This text intends to pick up where other books on women candidates or officeholders leave off. It explores the history of women candidates and officeholders in the USA, synthesizing previous research on these subjects, and offers data and analysis on the current situation of women in the political elite. The book offers students a comprehensive look at where women stand and what has brought them to this point.
