Excerpt from British Guiana Boundary: Arbitration With the United States of Venezuela; The Counter-Case on Behalf of the Government of Her Britannic Majesty

IN presenting to the Arbitral Tribunal the counter-case on behalf of Great Britain, Her Majesty's Government desire to call attention to the fact that the Venezuelan Case contains a number of references, particularly in the notes, to the Report of the United States' Commission and to the Report of Professor Burr presented to that Commission.

It must be borne in mind that the statements contained in those Reports and the inferences founded thereon are not in any way binding upon the Governments of Great Britain or Venezuela, and must be tested by the evidence by which they are supported.
