El Arte del Parking (Spanish Edition) Jordi Nadal

El Arte del Parking es un manual básico. No se trata de un compendio de normativas específicas, ni de una relación de tecnicismos de difícil entendimiento. Por el contrario, pretende ser un libro de consulta, de fácil lectura y comprensión, para cualquier persona carente de grandes conocimientos técnicos. Su contenido está destinado a los técnicos proyectistas, a los constructores y a los promotores, especialmente a los de la Administración Pública. Se divide en cuatro capítulos: estudio de los factores de cuándo, cómo y dónde se debe construir un aparcamiento; definición de los parámetros más elementales sobre el diseño, costes y superficies; análisis de todos los elementos que intervienen en su construcción y finalmente, estudio de las distintas formas de gestión y transmisión de los aparcamientos construidos por la administración. Esperamos que pueda ser de utilidad para todos aquellos que intervienen en la ejecución de un aparcamiento.
