"ISIS and similar gangs are nothing but the filthy by-products of what the great oppressors have done. If we want to do away with ISIS once and for all we must first destroy the roots; Abu Bakr, Omar and Aisha. Unless the Muslims do away with Abu Bakr, Omar and Aisha even if they destroy this contemporary terrorist gang it will be reborn sometime in the future. As long as there is a sect of deluded Muslims who follow these leaders all the way to Hell these Muslims will be affected by them and will start their criminal ways all over again. Every era a new ISIS will be born unless we do away with Abu Bakr and Omar. Frankly, one must target the ideological roots of terrorism in order to eliminate it. Therefore, we should focus our efforts on raising awareness among Muslims of these peoples crimes and we should call upon them to wash their hands of them. We should focus our efforts on turning people into righteous Rafidhi's (Shia who reject the corrupt Caliphs). This is what will eliminate terror once and for all. If Chechnya, for example, becomes a Rafidhi country, just as Iran did in the past, will a single terrorist emerge from this country blowing up people? No, because you will have destroyed the ideological environment of terrorism."
